ASSIGNMENT AGREEMENT

THIS AGREEMENT is made and entered into this 3rd day of November, 2010, between Mary R. Karalekas in her capacity as Trustee for the Mary. R Karalekas Revocable Trust; Peter S. Karalekas in his capacity as Trustee for the Peter S. Karalekas Revocable Trust; Thomas J. Bauch and Ellen Bauch, as community property holders; the Ottmar Partnership; William J. Hardy and Louise P. Wise, as tenants by the entirety, (collectively the "Transferring Parties"); and, Water Generating Systems, LLC, a Delaware limited liability company (hereinafter the "Company").

WHEREAS, each of the Transferring Parties was a Preferred Member and Creditor of Marine Desalinization Systems, LLC, which is in the process of dissolution and winding down; and,

WHEREAS, Marine Desalinization Systems, LLC, in said process of dissolution and winding down, transferred and assigned certain intellectual property to each of the Transferring Parties (See Dissolution Assignment and Schedule A attached hereto); and,

WHEREAS, the Transferring Parties have established the Company and desire to transfer that certain intellectual property to the Company;

NOW, THEREFORE, in consideration of the covenants and conditions set forth herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged by each of the parties hereto, it is agreed as follows:

1. The Transferring Parties hereby assign and transfer to the Company the full and exclusive right, title, and interest to all of that certain intellectual property each received from Marine Desalinization Systems, LLC, as more particularly set forth in Schedule A attached hereto.

2. The Company hereby acknowledges and accepts the aforesaid assignment and transfer of the full and exclusive right, title, and interest to all of that certain intellectual property.
3. The Company agrees to indemnify, defend, and hold harmless the Transferring Parties from and against any claims and/or liabilities, arising from, or relating to that certain intellectual property transferred to the Company.
4. Each of the Parties agrees to take all reasonable steps necessary to effectuate the terms of this Agreement.
5. This Agreement may be executed in a number of identical counterparts, all of which shall constitute one agreement, and such execution may be evidenced by signatures delivered by facsimile transmission.
6. This Agreement shall be binding on the Parties hereto, as well as their respective heirs, representatives, agents, successors and assigns.
7. The failure of a party to enforce any right resulting from any breach of any provision of this Agreement by the other party shall not be deemed a waiver of any right relating to a subsequent breach of such provision or any other right hereunder.
8. This Agreement shall be governed and construed in accordance with the laws of the State of Delaware without regard to conflict of law principles.
9. For purposes of any action or proceeding involving this Agreement, the parties hereto expressly submit to the jurisdiction of the courts of the State of Delaware, or Federal courts located in Delaware, and waive any right to contest the

appropriateness of any action brought in any such court based upon lack of personal jurisdiction, improper venue or forum non conveniens.

10. The language of all parts of this Agreement will in all cases be construed as a whole in accordance with its fair meaning and not strictly for or against any party hereto.
11. All provisions of this Agreement have been entered into and agreed to by the parties in good faith and sincerity as to their legality. If any provision hereof shall at any time be declared illegal and/or unenforceable between the parties hereto by a final decree of a court of competent jurisdiction, or by statute, then said part, and that part only, shall be deemed invalid and inoperative between the parties, it being understood and agreed that said remaining parts shall retain full force and effect between the parties.
12. This Agreement contains the entire understanding between the Parties with respect to the transfer of intellectual property from the Transferring Parties to the Company, and this Agreement supersedes all prior communications and understandings with respect thereto. This Agreement may not be superseded, amended, or modified except by written agreement signed on behalf of the Parties hereto.
13. The undersigned acknowledge that violation of this Agreement may cause substantial injury and damage to any party hereto for which they are entitled to seek injunctive or other equitable relief as well as monetary damages.
